

1. Replicate tying a Figure Eight Knot by first drawing each step in the boxes below.

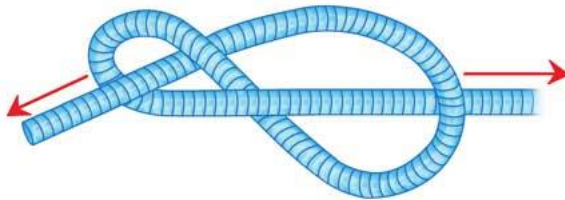

Figure 8 Knot Instructions

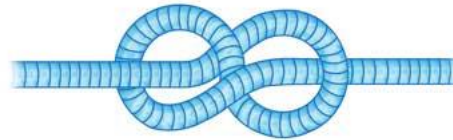

1 Make a loop with an end

2 Now pass the end through it

3 Pull both sides to adjust the knot

4 The finished knot resembles an "8"

1	2
3	4

2. After you have drawn each step, find one piece of rope or yarn and try to tie the Figure Eight Knot yourself! You can look back on the video and try to tie it along with Dan.

3. This rope contains multiple knots. How many knots do you see? Write the numbers in order above each knot.

How many more knots do you need to have 10 knots on the rope? _____

4. Where do you see and use knots in your everyday life? Write at least three different examples.
